Content Working Group Next Steps

- Formal consensus to start with the OPEN Demography Content
  - Initials Name
  - Patient's Date of Birth
  - Ethnicity
  - Gender of a Person
  - Country of Residence
  - Zip Code
  - Method of Payment
  - Race

Content Working Group Next Steps

- Groups are reviewing the content for any modifications needed to meet their organizational and scientific needs
  - Utilize the CDUS coded values or other codes for the PVs ?
  - Use the existing PVs with modifications (shorten terms) ?
  - Use the human readable value meanings for reporting ?
- The group identified the risk of confusion/error in outputs when mapping to codes instead of text (ex: Male or '2')
- The group will review how Rave integrations are collecting OPEN Demography content so that they can identify a consistent approach.
- The group will continue to review OPEN Demography content and make recommendations for revisions.
