

Network Rave Data Standards (NRDS) Content WG

*Tina Taylor and Dianne Reeves
August 4th, 2015*

Agenda

- Meeting Recap
- Review content before/after changes
- Review enumerated values
- Review formatting recommendations
- Next Steps

Meeting Recap

- Completed review of all 4 AE forms and 16 SAE forms

NRDS Content Review Process

- Neesha Desai will send out the following spreadsheets for review:
 - Content with before/after views of recommended changes
 - Enumerated values and recommended changes
 - Style guide recommendations with before/after changes
- Review period will be a 2 week period
 - Start Date: **August 6th, 2015**
 - End Date: **August 20th, 2015**
 - We will check in before August 20th to see if we need to extend the timeline for an additional week.
 - There will be a comments column for each organization on the spreadsheet
 - The comments you provide will be on behalf of your organization
 - There will be final voting process after the forms have been tested
- All comments should be submitted to Neesha Desai (neesha.desai@nih.gov)

Next Steps

- Provide feedback on the following items:
 - SAE and AE before/after spreadsheet
 - Enumerated values spreadsheet
 - Formatting before/after spreadsheet
- Proposing to cancel the meeting on August 11th, 2015 to give everyone more time to review the documentation
