

# Network Rave Data Standards (NRDS) Content WG

*Tina Taylor and Dianne Reeves*

# Agenda

- Project Recap
- CDUS Reporting
- Next Steps

# Recap

- The OCI does not truncate PVs regardless of the number of characters
- Determined to create a WG outside of this project to review and standardize the screening content.
  - Group agreed to standardizing where it made sense
  - Group agreed to standardize definitions
- Identified a set of criteria to standardize the CDUS Content
  - Standardize dates and numeric values
  - Set a character limit on free text fields
  - Follow the style guide when applicable

# Reference Information / Questions
