LexEVS 5.x Administration Guide

Installing LexEVS in a web-based environment > Installing web-enabled LexEVS > Installing LexEVS Grid Services > LexEVS back end installation instructions > LexEVS 5.x Administration Guide

Introduction

This guide describes environment configuration principles and practices from the perspective of an existing LexEVS 5.x installation. The information applies to LexEVS v.5.0 and v5.1.

Document sections

1. LexEVS Model/DB (back end) administration
2. LexEVS Server administration
3. LexEVS GUI administration tool
4. Vocabulary administration
