

caArray 047 - Creating a caArray account with UPT

Question: How do I create a caArray account with UPT?

Topic: caArray and UPT Integration

Release: caArray 2.0 and above

Date entered: 12/30/2009

Answer

We developed a series of knowledge base entries to explain the different aspects of how to create a caArray account with UPT. The topics in this series cover:

- [caArray 001 - Is UPT required for caArray or other application tools in LSD Bundle?](#)
- [caArray 003 - How do I create a caArray user with UPT?](#)
- [caArray 021 - How to I configure caArray for LDAP authentication?](#)
- [caArrayDemo-005 Using UPT: Set up Application and Create caArray Users](#)
- [caArray 042 - Is "user password" a required field for new user creation in UPT?](#)
