

CTRP Registration Complete Trial Participating Sites Template

You can use the Participating Sites template to submit your list of participating sites.

Click the [CTRP Registration Complete Trial Participating Sites Template](#) link to download the template.

Important

The CTRO no longer supports the following:

- *Abbreviated* Trial Participating Sites Template. Use the "Add my Site" feature of the CTRP Clinical Trial Registration application. For instructions, refer to [Adding Your Site to Abbreviated Trials](#).
- Trial batch upload templates for either trial category. Use the CTRP Clinical Trial Registration application to register trials. For instructions, refer to [Registering New Trials](#).
