

Macros and Plugins Available on This Wiki Site

To view a list of the macros enabled on this wiki site, choose one of the following methods:

- In the Confluence editor, type Ctrl-Shift-A.
- Type { followed by the first few characters of the name of a macro you want to insert.
- Choose the Insert toolbar icon > **Other macros**.

Macros come from the following sources:

- Atlassian Confluence. For more information on the Confluence macros, refer to the following Atlassian help page:
<https://confluence.atlassian.com/conf613/macros-964960774.html> 
- Various plugins. Plugins provide features of Confluence as well as macros. If you would like to request a plugin, contact NCIAppSupport@nih.gov.

Most macros and plugins are documented throughout this [Wiki Tips and Guidelines](#) space, according to the function performed by the macro or plugin.
