

# LexEVS 4.2 Documentation

Unable to render {include} The included page could not be found.

- [Technical Guide](#)

This guide provides a technical reference for users interested in programming to the LexEVS API. The document was originally updated during the 4.0 release timeframe; however it is still applicable to the 4.2 release.

## Additional Versions of the Technical Guide

- [LexEVS 4.2 API Technical Guide](#)
- [EVS API 4.0 Technical Guide](#)

- [User Guide](#)

This is a User Guide for the LexEVS 4.2 Grid Service to support users interested in programming to this interface.

- [LexBIG 1.0.2 Installation and Administration Guide](#)

This installation guide outlines the supported configurations and technical installation instructions for LexGrid Vocabulary Services for caBIG®.

- [LexBIG 1.0.2 Developer's Technical Guide](#)

This manual provides an introduction to the architecture, software components, and application programming interfaces (APIs) of the LexGrid Vocabulary Services for caBIG® project

- [LexEVS 4.2 Grid Service User Guide](#) (posted on this wiki)

This User Guide addresses the LexEVS Grid Service (version 4.2), from the perspective of a client application developer looking to interface with the referenced analytical grid service. This guide is also available as a [Word document](#).

- [LexEVS 5.0 Loader Mapping Guide](#)
