

Page with Multiexcerpts

The following is a multiexcerpt.

This is a multiexcerpt on the page titled "Page with Multiexcerpts" and having the name MultiExcerptExampleOne. Use the Multiexcerpt macro to create more than one excerpt on any page.

The following is another multiexcerpt.

This is a multiexcerpt on the page titled "Page with Multiexcerpts" and having the name MultiExcerptExampleTwo. This shows more than one excerpt on a single page for including on another page.

To view the Confluence editor view of the macros in use:

1. Click the Tools (...) icon above the page title, on the right side of the page.
2. Select **View Source**.

For instructions, refer to the following Atlassian help page:
