Survey and Vote Macros

The Survey Plugin is installed in the NCI Wiki. This provides the survey and vote macros. For instructions, refer to the following Atlassian help pages:

https://artemis.atlassian.net/servicedesk/customer/portal/3/topic/7ea3fbe5-0928-4d30-ae53-f4174168e64e/article/410780125

Key point for accessibility: The output of these macros includes images without alt text. Therefore the output is not shown.
