

LexEVS 6.1 Proposal - Other - O.2

Part of document: [LexEVS 6.1 Proposed Scope Items](#)

Enhancement

OWL parser no longer requires X windows. OWL loader script should have awt:headless by default

- Need more info. Throws an error currently. If you put in that phrase then it doesn't throw an error. Just put that phrase in the load OWL.shell

Tasks to Complete

5 minutes

Estimated Effort
