

Trial Status Abstraction - Include 20170822

 The system does not change the status of participating sites when you close a trial.

How to Abstract Trial Status Information

1. Search for the trial of interest. For instructions, refer to [Searching for Trials in PA](#).
2. In the search results, click the NCI Trial Identifier link for that trial. The Trial Identification page appears.
3. On the **Trial Identification** page, check out the trial. For instructions, refer to [Checking In and Checking Out Trials](#). (This checkout step is optional for Super Abstractors.)
4. On the **Administrative Data** menu, click **Trial Status**. The Trial Status page appears.
5. In the various status fields, specify the appropriate information. The following table describes the fields. An asterisk (*) indicates a required field.

Field Label	Description/Instructions
Current Trial Status*	Select the trial's accrual status from the drop-down list. For valid ClinicalTrials.gov recruitment values, refer to Trial Status Values in the CTRP and ClinicalTrials.gov and Expanded Access Statuses .
Current Trial Status Date*	Enter the date on which the current trial status became effective. For information, refer to CTRP System Rules for Study Status and Dates .
Why Study Stopped	If you selected the Administratively Complete , Withdrawn , or Temporarily Closed to Accrual status, type the reason why the study has ended or is not currently accruing. You can update your comment only for trials that are Temporarily Closed to Accrual. Optionally, enter any comments regarding the trial status.

6. In the various date fields, specify dates as they occur according to the rules specified in [CTRP System Rules for Study Status and Dates](#). The following table describes the fields. In this table, an asterisk (*) indicates a required field and an asterisk within square brackets ([*]) indicates a conditionally required field.

Field Label	Description/Instructions
Trial Start Date*	Enter the date on which the trial started, or is expected to start.
Primary Completion Date [*]	<p>Enter the date on which the final subject was examined or received an intervention, or the date on which that is expected to happen.</p> <p>Primary Completion Dates are optional in the following cases:</p> <ul style="list-style-type: none">• For non-interventional trials.• For DCP trials, if you select N/A as the type. <p>In both cases, the system excludes such trials when submitting XML documents to ClinicalTrials.gov. Otherwise, Primary Completion Dates are required.</p>
Completion Date	Enter the final date on which data was (or is expected to be) collected for the trial.

7. Indicate whether each date you entered is **Actual** or **Anticipated**, according to the rules specified in [Status Rules for Trial Dates](#).
8. Click **Save**.
9. If the system displays warning and/or error messages, click the **History** icon, and follow the instructions in [Abstracting Trial Status Histories](#) to correct them.
