

Browser Support in STRAP - Include 20171013

We test STRAP only on Firefox. For the following browsers, STRAP should work without issue:

- Firefox
- Chrome
- Safari

However, please note that it has been officially tested only on Chrome. Also, STRAP does not support Internet Explorer.

If you discover a browser-related issue, please contact us at ctrp_support@nih.gov. Please include the following information:

- Your browser name and version
- Your operating system version
- When possible, a screen shot illustrating the difficulty
