• Discussion items

| Time | Item | Who | Notes |
|------|------------------------|-----|---|
| | Action Items | | see below |
| | Monthly status reports | | Update April report Link to meeting notes |
| | Invoices | | Invoice seems to have been rejected because Samarth was not listed on the contract. |
| | Issue management | | has been deployed for new competitions Carolyn will amend documentation Samarth to send screenshots of issue submission page and issue tracker page One organizer of a challenge requested to limit the number of submissions for the TEST phase to 5. Change will be implemented. |
| | Contract mod | | MGH to request contract mod, JKC only key personnel. - DONE, Ulli to check with contracting office if formal contract modification is being issued |

| | | | |
|--|------------------------------|--|---|
| | New competitions | | Three new instances have been set up.The need to be added to the list of supported challenges - DONE |
| | Incoming Help desk requests | | will be described in status report |
| | Supported Challenges | | see new table |
| | Use of ePad and caMicroscope | | Use of ePad depends on the challenge topic e.g. ISBI Lung challenge set out to establish a value for malignancy probability for each subject. The result is a number and not a marked up image. Therefore, the submission in in form of a CSV file. |

Action items

Add pancreatic cancer challenge to the list of supported challenges @Samarth

Inform Carolyn to work with Samarth to amend help to issue tracking and submission [Wagner, Ulrike \(NIH/NCI\) \[C\]](#)

Investigate on how to give the user access to the help documentation on the NCI wiki [Unknown User \(nandekarsam\)](#)
