

Logging an Issue

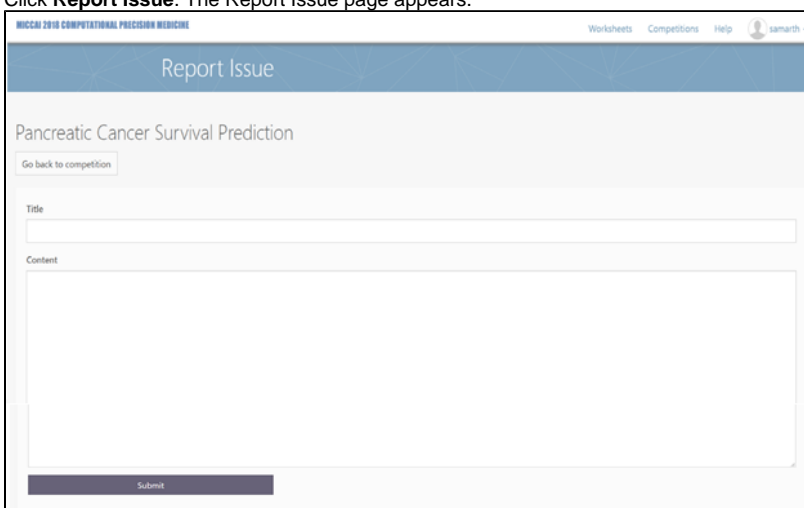

This page explains how to log an issue and assumes that you are not an administrator.

1. On the Competition page, log in to access the Report Issue tab and log a report.

 The Report Issue tab does not appear until you log in.

2. Click **Report Issue**. The Report Issue page appears.

The screenshot shows the 'Report Issue' page for the same competition. The page title is 'Report Issue'. The main content area has a 'Pancreatic Cancer Survival Prediction' section. There is a 'Go back to competition' link. Below this, there is a 'Title' field and a 'Content' field. At the bottom, there is a 'Submit' button.

3. Enter a title and content for your issue and click **Submit**.
The competition organizers receive your issue and the details you entered appear on the Issue status tab.
