Agenda

Overview (Scott)	<p>Discussion Points:</p> <ul style="list-style-type: none">•  LEXEVS-3613 - Jira project doesn't exist or you don't have permission to view it.• This is not limited to only this ontology.• LexEVS was never meant to represent all of OWL. <p>Decision Points:</p> <ul style="list-style-type: none">• (near term) Suggested to expand the table limitation to 1024 and index this value. Will want to look at scaling of the database.• (long term) May want to consider a model change in the future so that these expressions can be modeled correctly.
