

# 2018-12-05 Retrospective - Sprint 96

Date	05 Dec 2018
Participants	<a href="#">Bauer, Scott (NIH/NCI) [C]</a> , <a href="#">Endle, Cory (NIH/NCI)</a> , <a href="#">Unknown User (standlcr2)</a>

## Retrospective

### What did we do well?

- Managed multiple distractions well.

### What should we have done better?

- Understand how snapshots vs release candidates should be named and pushed to Nexus.
- Manage scope change of initial issues and how react to them.

## Actions
