

2019-03 Monthly Status Report

Accomplishments this month

- 1) Help Bilal Tahir set up CTVIE (AAPM) Competition
- 2) Work with Keyvan Farahani and team to build challenge infrastructure for MICCAI challenge, starting in June.
- 3) Work with Mark Gooding and Greg Sharp to set up their APPM challenge.
- 4) Address submission issue in AAPM 2017 competition.

Planned for next month

Continue development of new challenges, and work with Samarth to address old problems. Begin development of QIN challenge.
