

Managing Your Account

1. Log in, as described in [Logging In](#).
2. Click your name in the header.
3. Select **Manage Account**. The Manage Account page appears.
4. If necessary, update your first name, last name, institution or organization name.
5. Click **Update**.

The Manage Account page also displays your email address. To change your email address, select **About > Contact**. For details, refer to [Contacting Us](#).

To change your password, refer to [Changing Your Password](#).
