

Printing Updated Trial Information - Include v4.5

You can print a copy of the updated trial to facilitate the review and/or keep for your records. You must review the trial update in order to access the print feature. For instructions on reviewing the trial, refer to [Reviewing and Submitting Trial Updates](#).

How to Print Updated Trial Information

1. Review the updated trial.
2. Scroll to the bottom of the Review Trial Details page, and click **Print**.
