

Resetting Your Password

If you have forgotten your caDSR password, you can reset it.

1. Open a supported browser (Google Chrome) and navigate to the <https://cadsr.cancer.gov> portal. The home page appears.
2. Click **Sign In**. The Welcome page appears.
3. Click **Forgot your password**. The Reset Password page appears.
4. Select a repository. Specify your username and email address. Click **Reset Password**. The Check Your Email page appears.
5. When you receive the email message, click the link. Another Welcome page appears.
6. Type your new password and retype it to confirm. For password rules and guidelines, refer to [About Passwords](#).
7. Click **Change Password**. The home page reappears with additional options in menu banner and icon banner. The system updates the Favorites, News, and Inbox panels to reflect your customizations.
