

How To Add Data to an Existing Study in caIntegrator - Step 3.13

3.13. Once the query is saved, the Search page will reload and the STUDY DATA menu in the left navigation panel will expand to show the newly saved query 'Tutorial' under the 'My Queries' heading. You can click on the magnifying glass icon to the left of the Tutorial link to bring up the query results again, or on the pencil icon to edit the query criteria.

The screenshot displays the caIntegrator web application interface. At the top, the header includes the National Cancer Institute logo, the text "National Cancer Institute", and the U.S. National Institutes of Health logo with the URL "www.cancer.gov". Below the header, the "caINTEGRATOR" logo is visible, along with build and date information. The main navigation bar includes "My Studies: Demo Study for ICR Folks", a welcome message, and a "Logout" link. The left navigation panel is expanded, showing the "STUDY DATA" menu. Under "Saved Queries", the "My Queries" section is highlighted, and the "Tutorial" query is listed with a magnifying glass icon. The main content area shows the "Define Query Criteria for: Tutorial" panel. This panel has tabs for "Criteria", "Results Type", "Sorting", "Query Results", and "Save query as...". The "Criteria" tab is active, showing a list of criteria: "Demographic" (Add), "Annotations - Default" (SITE equals MI Remove), and "Demographic" (GENDER equals Male Remove). The "or and" radio buttons are set to "and". A "Run Query" button is at the bottom right of the criteria panel. The footer contains links for "CONTACT US", "PRIVACY NOTICE", "DISCLAIMER", "ACCESSIBILITY", and "SUPPORT", along with logos for the National Cancer Institute, the U.S. Department of Health and Human Services, and the USA.gov logo.

The 'Tutorial' query (highlighted in red) is now saved under the 'STUDY DATA' menu in the left navigation panel and can be accessed at any time.
