

Protocol Search Results

Once you submit a search for a protocol, search results show pertinent protocol information defined when creating a protocol.

The following table lists and describes each column of the search results.

Protocol Search Results Columns	Description
Action	<p>Click View in the first column to display the protocol in a PDF file.</p> <div><div> Note:</div><div>Edit is only available for people that have an account and are logged into the system and are associated with the protocol.</div></div> <p>Click + Add to Favorites to add a bookmark for the protocol on your My Favorites tab. <i>Added to Favorites</i> appears in the column when the protocol is successfully added.</p>
Protocol Type	<p>Enter or select from the drop-down list the protocol type (required).</p> <div><div></div><div>Unknown macro: 'hide'</div></div>
Protocol Name	Enter or select from the drop-down list the protocol name.
Protocol Abbreviation	Enter a shortened phrase used in place of the protocol name.
Protocol Version	Enter or select from the drop-down list the protocol version number.
Protocol File	<p>The Title and Description of the protocol are listed. Click View to download the protocol file.</p> <p>The column is empty when there is no protocol file associated with the Protocol.</p>
Created Date	Indicates the date on which the protocol was added.
