

Managing Your Collaboration Groups

If you do not have the curator role, you can manage only your own collaboration groups.

To manage your collaboration groups

1. Click **Groups**.
2. Click **Manage Collaboration Groups**. The Manage Collaboration Groups page displays your existing collaboration groups at the top.
3. You can create, edit, and delete groups, as described in the following pages:
 - [Creating a Collaboration Group](#)
 - [Editing a Collaboration Group](#)
 - [Deleting a Collaboration Group](#)
