

2022-12-12 DGAB Meeting notes

Date

12 Dec 2022

Attendees

Committee Member	Present	Absent
Kuffel, Gina (NIH/NCI) [C]	X	
Musk, Philip (NIH/NCI) [C]	X	
Warren Kibbe	X	
Kim, Erika (NIH/NCI) [E]	X	
Gregory Tawa	X	
William Hendriks		X
Matthew Breen		X
Roel Verhaak	X	

Goals

- Review, discuss, and prioritize ICDC study submission proposals

Outstanding Action items

- ☐ Matthew & Warren to write an email request to Toby pertaining to formalization of a business plan for ICDC

Agenda

Discussion Item	Who	Notes
Data Submission Request: Tissues & Organoids Iowa State	Kuffel, Gina (NIH/NCI) [C]	• Approved by SAC • Data Submission Folder: Tissues & Organoids
Data Submission Request: PRECINCT02 Tufts University	Kuffel, Gina (NIH/NCI) [C]	• Approved by SAC • "Novel treatments for Diffuse large B cell lymphoma (DLBCL) in dogs" • Data Submission Folder: PRECINCT02
The ICDC Data Dashboard & Queue	Kuffel, Gina (NIH/NCI) [C]	• ICDC Data Dashboard.xlsx
New Data Submission Request: Canine Urothelial Carcinoma	Kuffel, Gina (NIH/NCI) [C]	• "Whole exome sequencing analysis of canine urothelial carcinomas without BRAF V595E mutation" • Data Submission Folder: NC_State

Study Updates	Musk, Philip (NIH/NCI) [C]	• TCL01 ◦ Released to production on Dec. 1, 2022 ◦ 95 files ◦ 45 cases ◦ 620 GB data • PRECINCT01 ◦ Waiting on actual data files from UC Davis group • PANCAN01 (15 TB Re-analysis) ◦ Submitter PoC identified • OSA02 ◦ Dawn & Sunetra are working on the template-driven data submission • UBC03 ◦ Kick-off call with Sagar and Depika ◦ Group will proceed with template-driven submission ◦ Correct templates have been identified
---------------	----------------------------	--

Minutes (Not Verbatim)

****Voting for NC State Data Request Submission****

Roel - Motion to approve

In favor for recommending the study for inclusion: Warren, Erika, Roel, Greg

Action items

- ☐ Kuffel, Gina (NIH/NCI) [C] to work with Phil add description for NCATS DPI (supported clinical sequencing)
- ☐ Kuffel, Gina (NIH/NCI) [C] to reach out to get a vote from Will for the NC State study
