

caArray 039 - Array Design Files

Array Design Files

Topic: caArray Usage

Release: caArray 2.0 and above

Date entered: 12/20/2009

We developed a series of knowledge base entries to explain the different aspects of caArray array design files. The topics in this series cover:

- [caArray 010 - Where are the Array Design Files for caArray?](#) *This article consolidates information on the whereabouts of array design files from different providers in one convenient place. It contains a table of download links to design files from nine different vendors, with more to come.*
- [caArray 036 - Working with Array Design Files in caArray](#) *This article explains how to download, edit, delete and replace an array design file in caArray.*
- [caArrayDemo-004 Using caArray: Uploading Array Design File](#) *This multimedia presentation guides the user through the process of uploading an array design file into caArray and includes screenshots*

You can also refer to [Managing Array Designs](#) in the [caArray User's Guide](#) for more information.

If you have a comment, please leave your comment in the [caArray End User Forum](#).
