

# Copy of Downloading Accrual Batch Data Files - Include v4.4 - ALT 2/14/2024 v2.0

 Only the ZIP file submitter can download ZIP files from the Prior Submissions page.

From the Prior Submissions page, you can download previously submitted accrual files (.txt or .zip) that were uploaded via the Batch Upload feature. For information about this feature, refer to [Submitting Accrual Data Batch Files](#).

All trials to which you have been granted access, per the rules described in [About Accessing Trials with Prior Accruals](#), are listed automatically when you open the Prior Submissions page. You can limit the list of prior submissions that are displayed to a given date or range of dates.

### How to Download Submitted Subject Accrual Files

1. On the left-hand navigation bar, click **Prior Submissions**. All trials to which you have been granted Accrual access that have existing subject accrual records are listed automatically.
