Introduction to caArray Usage

- [caArray 049 - Introduction to caArray - a High-level Workflow](#)
- [caArray 050 - Introduction to caArray - Browse and Search caArray Repository](#)
- [caArray 095 - Lists of Must-Have and Nice-to-Have Features to Support Next-Generation Sequencing Data](#)

caArray User Account, Login and Admin Issues

- [caArray 041 - caArray Account Management](#)
- [caArray 029 - How do I change the caArray admin e-mail address after installation?](#)
- [caArray 035 - How do we choose the correct caArray access role for a user?](#)
- [caArray 065 - Can we amend the ownership for a deleted user's experiment?](#)
- [caArray 084 - Can users change their passwords in caArray?](#)
- [caArray 024 - Does the caArray user account with system administrator role have access to all experimental data?](#)
- [caArray 045 - User registration is unable to send the user an email to confirm registration. What do we do?](#)

Working with Array Design Files

- [caArray 039 - Array Design Files](#)
- [caArray 036 - Working with Array Design Files in caArray](#)
- [caArray 010 - Where are the Array Design Files for caArray?](#)
- [caArray 052 - I would like to download an array design file, but I can't find it in caArray. Why?](#)
- [caArray 074 - Can I rename a design file and use it in a study?](#)
- [caArray 094 - Handling Array Designs](#)
- [caArray Demo-004 Using caArray: Uploading Array Design File \(PowerPoint file\)](#)

Working with MAGE-TAB Files

- [caArray 037 - MAGE-TAB Files](#)
- [caArray 007 - What are MAGE-TAB Files?](#)
- [caArray 008 - Should I use the Annotations tab or MAGE-TAB annotation files to annotate my experiment?](#)
- [caArray 009 - Highlights for Building caArray's MAGE-TAB Annotation Files](#)
- [caArray 060 - How do I export experiment annotation and data file into MAGE-TAB and GEO SOFT formats?](#)
- [caArray 080 - A Step-by-Step Guide to Create a MAGE-TAB Template Specific to RPLA Project](#)
- [caArray Demo-001 How to load MAGE-TAB data into caArray \(CaArray_Demo_MAGE-TAB_Data_Upload_4_Revised_2.wmv\)](#)

Working with Data Files

- [caArray 019 - caArray File Loading Process](#)
- [caArray 002 - How do I upload MicroArray Gene Expression Data into caArray?](#)
- [caArray 013 - Is there any size or format limitation on the files uploaded to caArray?](#)
- [caArray 014 - Which files can be uploaded into caArray?](#)
- [caArray 016 - Which file can be parsed into caArray? What is the benefit of file parsing?](#)
- [caArray 092 - Importing Data into caArray](#)
- [caArray 017 - What is the meaning of the caArray Status of Importing - Imported versus Imported Not Parsed?](#)
- [caArray 018 - What causes the error "Failed Validation"?](#)
- [caArray 051 - Which columns in Illumina expression csv array design files are acceptable in caArray?](#)
- [caArray 056 - How do I import an Affy .TXT file into caArray?](#)
- [caArray 061 - What is the difference between the annotation options that are available when importing data?](#)
- [caArray 067 - How do I resolve an error with unpacking the zip files?](#)
- [caArray 076 - How can I upload and store QC data in caArray?](#)
- [caArray 082 - The datafile is imported, but it is not downloadable. Why?](#)
- [caArray 023 - Can multiple users upload microarray datafiles under the same experiment?](#)
- [caArray 025 - Does caArray have version control on uploaded files?](#)
- [caArray 087 - Why Do I Get an Error Message When Attempting to Validate an Illumina SNP Data File in caArray?](#)
- [caArray 089 - How Do I Upload Very Large Datasets?](#)

Managing Experiments

- [caArray 088 - Finding Information on an Experiment](#)
- [caArray 038 - caArray Experiment Management](#)
- [caArray 034 - Can I edit my experiment that has already been made public?](#)

caArray Integration with Other Applications

caArray and UPT Integration

- caArray 047 - How do I create a caArray account with UPT?
- caArray 001 - Is UPT required for caArray or other application tools in LSD Bundle?
- caArray 003 - How do I create a caArray user with UPT?
- caArray 011 - What do I do when I see the error "Invalid Login" or the "No Application found" error when I log in via UPT?
- caArray 086 - UPT was installed successfully but I could not log in as the super user to set up caArray. Why?
- caArray 053 - How do I remove the lock on my UPT superuser account?
- caArray 021 - How to I configure caArray for LDAP authentication?
- caArray Demo-005 Using UPT: Set up Application and Create caArray Users (PowerPoint file)
- caArray 042 - Is "user password" a required field for new user creation in UPT?
- caArray 075 - What is the difference between the "Group" in the UPT and the "Collaboration Group" in caArray?
- caArray 086 - UPT was installed successfully but I could not log in as the super user to set up caArray. Why?
- caArray Demo-005 Using UPT: Set up Application and Create caArray Users
- See also UPT and CSM FAQs

caArray and geWorkbench Integration

- caArray 004 - Can I access the geWorkbench application from caArray?
- caArray 033 - What is the version compatibility between geWorkbench and caArray?
- caArray Demo-003 - Using geWorkbench to Remote Access caArray Data (PowerPoint file)

caArray and calIntegrator Integration

- caArray 081 - Can caArray and calIntegrator2 share the same version of the UPT application?

caArray and caTissue Integration
