

# Page with Multiexcerpts

The following is a multiexcerpt.

*This is a multiexcerpt on the page titled "Page with Multiexcerpts" and having the name MultiExcerptExampleOne. Use the Multiexcerpt macro to create more than one excerpt on any page.*

The following is another multiexcerpt.

*This is a multiexcerpt on the page titled "Page with Multiexcerpts" and having the name MultiExcerptExampleTwo. This shows more than one excerpt on a single page for including on another page.*

To view the Confluence editor view of the macros in use:

1. Click the Tools (...) icon above the page title, on the right side of the page.
2. Select **View Source**.

For instructions, refer to the following Atlassian help page:
